**GALILEE**  
FOUNDATION

1 July 2025

## A Note from the Galilee Foundation Team

This quarter marks a new chapter in our journey of faith and service. We officially inherited a CLG (Company Limited by Guarantee (CLG) entity structure. As a CLG – not a registered charity or IPC -- **Galilee Foundation** operates independently from tax-deductible fundraising constraints; such status gives us greater flexibility to serve wherever God opens doors.

We remain a 100% volunteer-run, faith-driven, cross-border social enterprise dedicated to serving the poor and needy through discipleship, education, and holistic outreach.

From joyful hands-on learning experiences for our young ones in Singapore to stirring acts of compassion for women in crisis in Cambodia, the past months have shown us again and again: **God is with us.**

Whether through a slice of pizza or a stroke of a paintbrush, our mission remains the same—to reflect Christ's love in word and deed. May this issue inspire you to join us in the field, in prayer, or through generous giving.

**To Him be the glory,**

## A Slice of Joy: PizzaExpress Field Trip for 5L&2F Kids

To bless the children from our Grocery@5 Loaves & 2 Fish (5L&2F) program during the June holidays, GF organised a field trip to PizzaExpress for 10 young participants. With apron strings tied and smiles wide, they dove into a fun-filled hands-on pizza-making session.

### 📸 Highlights:

- Stretching dough with curiosity and care
- Choosing toppings with glee
- Beaming proudly beside their self-made pizzas
- A final group shot full of laughter and thankfulness

💙 Call to Action: Want to sponsor a future field trip or learning experience for our 5L&2F children?

## ACE Merit Shopping Day: Encouraging Growth, Rewarding Faithfulness

Our Homeschooling Support ministry held its very first Merit Shopping Day! Rooted in the ACE curriculum, this reward-based initiative celebrates children's academic milestones, positive behaviour, and display of godly character.

Students exchanged their hard-earned merits for fun prizes—and more importantly, left affirmed, encouraged, and smiling. Your support plants seeds of lifelong motivation.

## Discipleship Milestone: A Family Planted in Faith

We rejoice in the completed transition of Danny & Nekka's entire family into the spiritual community at a local church in the northern part of Singapore.

Their journey of faith has taken root, and we celebrate with them this new chapter of growth and connection.

## Colors of Hope: Art with Heart Across Borders

In a powerful expression of shared compassion and mission, Galilee Foundation was privileged to partner with Angkor Art Gallery for the Colors of Hope campaign—an international charity art initiative in support of the Cambodia Women's Crisis Center (CWCC).

CWCC, a beacon for over 500,000 women and children since 1997, continues to offer emergency shelter, legal protection, trauma counselling, and reintegration support for women and children affected by domestic violence.

### 24 April 2025 – CWCC Visit, Phnom Penh:

Meeting the women and staff firsthand reminded us that compassion has no borders.

This visit deeply moved us and affirmed our commitment to stand alongside CWCC in their mission to restore dignity, hope, and healing.

### 3 May 2025 – Art Auction in Cambodia:

At Oakwood Premier's Grand Ballroom, over 200 guests attended a heartwarming auction of 50+ donated artworks.

Galilee Foundation participated in the event as a supporting partner.

### 20 June 2025 – Art Auction in Singapore:

Held during Galilee Investment's (GI) 5th Anniversary & Investors' Appreciation Dinner, this sister event united GI's investors & Galilee Foundation's (GF) supporters in a powerful act of cross-border compassion.

# Philippines Mission Trip: “God Who Heals, Leads & Stays”

## *Sharing by Joshua & Rachel*

From the moment Brother Joshua began his quiet time in preparation for the mission trip, God was already near. A worship song on his heart matched the one playing when he entered his room — followed by the gentle whisper: “I have been waiting for you.”

### **God’s Presence from Start to End**

Despite physical weakness from intense heat and restless nights, God gently reminded Joshua of Isaiah 61:1 — that it is His Spirit who anoints and empowers.

What followed was a wave of encounters that could only be attributed to the hand of God.

- 🙏 A previously blind woman received her sight.
- 🙏 An elderly man was healed from asthma, in the middle of an actual attack. (Right)
- 🙏 A stroke survivor’s functions were restored in Jesus’ name.
- 🙏 Children prayed fervently, drawing near to Jesus with joy.
- 🙏 Whole communities came down from the hills to respond to the gospel. (Bottom right)

### **God Moves Through Simple Obedience**

Joshua entered the trip with little more than a “love note” from the Lord — a simple message.

But it was enough. He witnessed how God uses our obedience, not eloquence, to bring about healing, encouragement, and salvation.

"All I had was the love note God gave me — but that was all He needed to move mightily."

*"It is truly not by my works  
but by His grace. All the  
more I want to love Him by  
walking closer with Him." —  
Bro Joshua*
